

## COVID-19 Emergency Response and Recovery Appeal

When the Coronavirus outbreak struck, we acted. We immediately launched a COVID-19 Emergency Response Appeal through which we provided grants to address urgent needs of Highland Park and Highwood residents. In April of 2021, we transitioned our Emergency Response Appeal into a COVID Recovery Appeal to address the needs of residents as our community moves through the recovery phase of COVID. To date, with funds raised through our Appeals and from our endowment, we have distributed a total of 90 grants, totaling almost \$190,000.

### HPCF COVID-19 Funding Distributions

Round 1	March 2020	\$25,000	9 grants
Round 2	April 2020	\$60,350	17 grants

Funding to assist with needs of isolated seniors	
Housing assistance for victims of domestic violence and their minor children	
PPE supplies and thermometers	

**Residents still struggle. From all we have learned, COVID-related needs will continue through the Recovery Phase of COVID, which we have also learned is expected to last for some time.** To help us address their needs, click [here](#) today or mail your donation to HPCF, P.O. Box 398, Highland Park, IL 60035.
