

We were excited about resuming our tradition of “gathering for good” to benefit the Highland Park and Highwood community. But we have been monitoring COVID developments closely and, with everyone’s safety and health being our top priority, we feel this is not the right time to host a large event.

If you had planned to purchase an event or raffle ticket, make a *Gather for Good* donation, or sponsor our event, we hope you will still support us. There are many real needs to address and your contribution will make a meaningful difference.

We recently closed the application period for our 2021 annual grants, for which we received \$750,000 in requests. We fervently hope the Delta variant won’t create additional needs but are prepared to address them if it does. These grants would be on top of the \$200,000 in emergency grants we have issued since March to address COVID-related needs of residents.
